Hon. John Fogarty  
Member of Congress  
Washington, D.C.

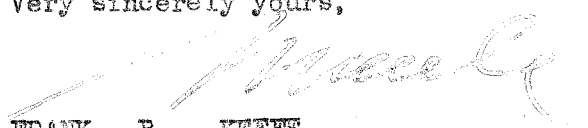

My dear John:

Rumor has it that the Public Buildings Administration is seeking to take over the new clinical hospital at Bethesda and fill it up with sundry "war agencies". This would indeed be tragedy and I hope you will run the rumor down and leave no stone unturned in stopping it.

I will be glad to hear from you.

With warm personal regards, I am,

Very sincerely yours,

  
FRANK B. KEEFE
